**DATE MAILED:**

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The attorney brought to the examiner's attention that US 6,314,019, cited on the IDS filed 6/19/03, had not been initialed. The office action mailed 4/4/06 stated that the IDS filed 6/19/03 had been examined in full, therefore the US Patent had been considered, as indicated by the examiner's signature on the IDS. The lack of initials was an oversight. The examiner apologizes for the oversight and any inconvenience to applicants.

A copy of the IDS, with all references initialed, accompanies this form, thus making the record clear that all cited references have been considered.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marjorie Moran whose telephone number is 571-272-0720. The examiner can normally be reached on M-F 6:30 am- 2 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ram Shukla can be reached on 571-272-0735. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
